Re: July Quarterly Report
(4/1/96 - 6/30/96)

Dear Ms. Carothers:

The Committee to Re-Elect Nydia M. Velazquez submits this response to your letter of September 24, 1996 in which you itemize a number of discrepancies in the Committee's 1996 July Quarterly Report.

- Enclosed you will find a revised Schedule A for Line 11(c) which contains the aggregate year-to-date contributions received from each listed political committee.
- The Committee did not receive an excess contribution from CWA-COPE PAC. A review of the Committee's records reveals that the report inadvertently and mistakenly attributed two CWA contributions for the 1996 primary election when in fact the \$1,000 contribution of April 26, 1996 was designated for the primary and the May 16, 1996 contribution of \$5,000 was designated for the general election. Enclosed you will find copies of the designation letters accompanying the contributions. As you can see the Committee did not receive an excess contribution, and the Committee's Schedule A Line 11(c) has been revised to indicate that the contributions received were for the primary and general election.
- Enclosed you will find a revised Schedule A Line 11(a)(i) which now contains the correct aggregate year-to-date totals for each individual.
- The Committee continues to use its best efforts to obtain the occupation and employer of individual contributors who have contributed in excess of \$200.00. The Committee was requested each of the contributors to furnish the employer and occupation information on two separate occasions. While the Committee has requested this information on two occasions, the information has not as yet been provided. I am enclosing copies of a second letter sent to each of the contributors requesting the information. Unfortunately the Committee is unable to locate
